for a Fascinating Behind the Scenes Look at how
Frank Lloyd Wright Homes are Preserved.

Guest Speaker: Karen Sweeney

Karen Sweeney is responsible for preservation, emergency preparedness and preventative maintenance of all of the Frank Lloyd Wright Trust properties.

Ms. Sweeney has overseen the restoration work at Robie house that has been completed to date. Most recently she has been directing the preservation efforts at the Frank Lloyd Wright Home and Studio. On staff since April 1987, she previously co-chaired the FLW Home & Studio restoration committee. Ms. Sweeney earned her Master of Architecture degree from the University of Illinois, Champaign-Urbana.

The Frank Lloyd Wright Trust was established in 1974 as the Frank Lloyd Wright Home and Studio Foundation, a not-for-profit organization, to acquire and preserve Wright's Home and Studio in Oak Park as the place where Wright formulated the Architectural principles he retained throughout his career. In 1975, the Home and Studio became a co-stewardship property of the National Trust for Historical Preservation, and the Home and Studio Foundation embarked on its mission to restore and operate the building as a historic house museum.
