Date Change: Saturday August 25, 2018  
8:00 AM - 4:00 PM  
Bernard Moos Elementary/Middle School

This is a family friendly event and anyone over the age of 15 is encouraged to participate. We provide proof of community service hours for those requiring documentation.

The day begins by meeting at the school at 8:00 AM. **Park in the school lot.** Coffee, beverages and snacks are available throughout the day as we paint the classes and halls.

There will also be a raffle, so have cash on hand so you can leave a winner!

Our one-day paint project will close with our "After Party",  
to be held at the school.

We sincerely hope you will take a few hours of your time to help us  
Paint A Brighter School!
