

PLEASE JOIN US TO HELP BRIGHTEN UP A CHICAGO SCHOOL

This year the Community Relations Committee of the Chicago Paint & Coatings Association will host our 21st annual “Paint a Brighter Chicago” project on **Saturday, August 26th**. This project is designed to brighten the environment for schools in great need in the Chicagoland area. This year we are partnering again with Bright Promise Fund, and selected a school which our organization feels can greatly benefit from our volunteer services: Pui Tak Christian School.

Bright Promise Fund currently has six member schools and three affiliate schools in a variety of neighborhoods in downtown Chicago. Their mission is to strengthen and sustain partner Christian schools by generating new sources of revenue so that more families may experience and benefit from urban Christian education. They are looking to us for gifts of labor and paint supplies to better the environment of a school that does their best to make a quality Christian education affordable in urban Chicago (Chinatown).

The cohort of schools that are members of Bright Promise Fund are open to children of all backgrounds and ensure that they provide opportunity to children from families of all income levels by scaling their tuition based on need—wealthier families know and understand that their higher tuition is going to give children from low-income families the opportunity to have the same great education. From touring several of these schools, we have seen first-hand the children’s desire to learn, the faculty’s passion for teaching, the diverse backgrounds of the students, and the cultural inclusion of the curriculum. We have also observed the difference that we as an organization could make by offering our services to an urban school whose budget is just too tight to hire out painting and repairs. Pui Tak is one of the schools that most exhibited these needs, and we are so excited for the difference that the Community Relations Committee of the CPCA, our dedicated volunteers, and our CPCA member companies can make here!

We are asking you to be a part of this 21st annual “Paint a Brighter Chicago”. Our committee will provide paint, supplies and volunteers who will paint the most needed areas in the school. The Chicago Paint & Coatings Association is committed to this project, and we are looking to our member companies to help us reach our goal. In order to make this project a success, the Community Relations Committee of the Chicago Paint & Coatings Association are asking for your support in the form of a monetary donation. Pui Tak Christian School, the Community Relations Committee and Chicago Paint & Coatings Association would greatly appreciate your generosity through either a personal or company contribution. To make a donation, please complete the form attached to this sheet and email it to cmarcuccelli@fitzchem.com by **July 24, 2017**. If we receive your donation by the deadline, we will add your name to the back of this year’s t-shirt as a sponsor, and your company will be recognized at the event.

We would love to see you there! If you, your friends, your family (ages 15 and older) or members of your company would like to donate time for this great project, please sign our volunteer list or email k.eyer@americancolors.com or kfelgenhauer@palmerholland.com by **July 24, 2017**. It is a fun day and a rewarding way to contribute to the community!

Thank you very much for your support of our Association and the wonderful work that this Association does to “Paint a Brighter Chicago”.

Sincerely,

Kayla Eyer & Kathryn Felgenhauer
