

December 21, 2020

Dear Chicago Paint & Coatings and Association Members:

2020 has certainly been a difficult year for many, as we have met new challenges with working from home, we are very empathetic of those whose own health, or that of a family member, was impacted by Covid-19.

I want to thank everyone for your continued dedication to CPCA throughout the year, as we still enjoyed success with support through your continued membership and both print and e-advertising.

Our community service committee pivoted to adjust to the pandemic with a creative approach to Paint a Brighter Chicago. We used our creativity to brighten the face of a child by painting ceiling tiles to be placed throughout Shriners' Hospital for Children.

Additionally, our first post-Covid-19 virtual Economic Update Meeting in November was very well attended. Thank you for the commitment that each one of you has shown us. Presentations are available at www.chicagopaint.org.

We have an industry of great people as we face our challenges together. On behalf of CPCA, please allow me to extend my personal and genuine appreciation to each and every one you for your valuable contributions to this organization. Working with you is a pleasure and I am proud of our association and all that we have accomplished together!

Merry Christmas and Happy New Year!

Kris Weigal
