

May 27th, 2020

Dear Chicago Paint & Coatings and Association Members:

I hope everyone is staying safe and healthy as we continue to progress through the Coronavirus/COVID-19 pandemic that we are experiencing. We hope we are getting closer to “returning to normal” although normal may be a bit different for us in the future.....we remain hopeful things progress in a positive way.

As always; I’d like to once again share with you the mission and goal of the Chicago Paint & Coatings Association:

“To truly represent the industry in the Chicagoland area and to do those things that are for the good of the industry and of the public, for here and throughout the nation” and “our role is to serve as ally and advocate for the coatings industry on legislative, regulatory and judicial issues at the Federal, State and local levels”

I write you today to let you that we conducted a “virtual” Chicago Paint & Coatings Association Board of Directors/ Officers meeting May 14th via Zoom. We had a productive meeting which covered many topics including the need to review plans for future meetings scheduled and come up with a decision on how to proceed. We have decided to postpone both our “Annual Membership” meeting which is traditionally in May and our annual CPCA “Bill Caprel Invitational Golf Outing” planned for June 18th, 2020. We hope to be able to reschedule these events to later this summer or early this fall.

We will continue to monitor Federal, State and Local government rules and protocols for meetings and events, and we will send you an update if we can reschedule these events to a date later this year or if we will need to cancel these events for 2020.

You can also receive updates by going to the CPCA web site at: <http://www.chicagopaint.org/index.php>
Please stay safe and healthy and we look forward to meeting again when the pandemic subsides and our Federal, State and Local government officials give us clearance to resume meetings and events.

Very Truly Yours,

Chris Wrabel

UNIVAR Solutions & President—Chicago Paint & Coatings Association
