

## 2022 CPCA & CSCT Joint Scholarship Application

This year the rules for awarding the scholarships have changed. There will be (2) scholarships from the Chicago Society for Coatings Technology (CSCT) and (2) from the Chicago Paint and Coatings Association (CPCA). Hence forth, in order to insure there will be two winners from the CSCT and two winners from the CPCA, there will be two separate entry pools. Applications from CSCT members will be put into one pool and entries from the CPCA will be put in another. Applicants who are members of both organizations are entitled to an entry in each pool. However, the CSCT requires a two-year active membership prior to application.

CPCA does give scholarships to grandchildren and retired/not active members cannot apply. You have to work for a member company for 2 years.
